

Recreation Meeting Minutes

September 8, 2021

6 PM at the Rec Pavilion

Present: Mike Denatale, Teddy Secor, Jess Odell, Richard Bell, Mary Weinberger (via phone call)

Absent: Antonio Igentio, Lauren Osterman

Community Day

Mike, Teddy, and Antonio are slated to run the Community Day booths for the Rec and Fortress. Community Day is September 18 and begins at 9 am and ends around 3 pm. Sara will also be around to help set up the booth.

Capital Improvement Project

Richard said that the Design and Communication Survey are going out soon for the public. There will be representatives at Community Day. Design Committee has Master Plan under construction. Landscape architect will be working pro bono to create more shaded areas. The landscape plan will go through the same informal review through the four boards. Richard reported that the individual committees are becoming more active.

Haunted Fortress

Mike reported that the electric work and insurance walkthrough are complete. The Fortress received event insurance, but may need long term insurance moving forward. There remain a few items from the building inspector that may need to be addressed, and Mary said she would clarify with Frank Pepe if the building inspection was necessary to open the Fortress. Mike mentioned that there is a lot of design work to be done along with costumes and laundry. Right now, they would like to run Fortress every weekend in October, including Trunk or Treat weekend. Sara said that tickets may be able to be purchased through MyRec this year and Richard thought they could ask the Events Committee for volunteers to run the ticket booth if needed.

Meeting adjourned at 6:24 pm
